**SUB-CONTRACTORS LIST  
STATE AGENCIES**

This subcontractor's list is only used when a State Agency is performing the work in place of a licensed contractor on projects not exceeding \$200,000 per Florida Statute 489.103(3). If a State Agency is permitting the project but subcontracting the work to licensed subcontractors, then they shall use the form: [Subcontractor List – Licensed Contractors](#). A State Agency cannot be a sub-contractor for a licensed contractor.
